# OF THE PHS MISSILE FOR 1962

There is much student activity on the front porch during the noon recess.

# DEDICATION

Few teachers in the vast realm of modern education are as admired and respected as Mr. Ralph H. Stronach, instrumental music teacher and band director. Mr. Stronach received his B. M. degree in musical education from the New England Conservatory of Music. He is an honorary member of the Pi Kappa Lambda Music Society.

Mr. Stronach's contributions to our school and community have been numerous and outstanding; perhaps their significance is best shown by his leadership ability. In the past twenty years he has single-handedly molded the Petersburg High School Band into what it is today, an organization with prestige in which the students can take pride. The band faithfully attends every football game and pep rally, and is ready for performance whenever our school or community needs its services. Under Mr. Stronach's leadership the band has grown both in size and in statue; the marching band now ranks more than a hundred members and rates among the best in the area. In the spring the concert band helps to promote a finer appreciation of the more classical musical scores.

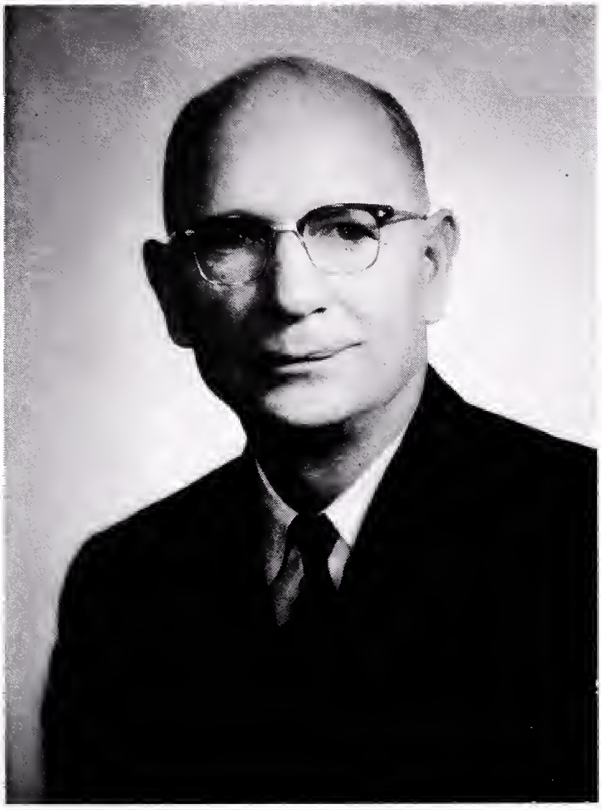
The most outstanding quality in Mr. Stronach's life is devotion — devotion to his school, community, friends, and, most of all, his lasting devotion to his students. His interest in their lives and ambitions is deep and sincere. Each year through his patience, guidance, and understanding, he enriches the lives of the students who know him, love him, and respect him.

So often credit is not given where credit is due. So often many of us overlook the fact that if it were not for the hard work that is done behind the scenes, the presentation would not be the success that it often is. Mr. Stronach is the man behind the scenes; he unselfishly gives all of the credit to the band members, and asks little for himself. His life is centered on his students, and through them he is given his reward. Few know the pride and satisfaction that he takes in his students and just how great his reward is, for Mr. Stronach is one man among many who can look back on his years at Petersburg High School and say, "Job well done."

So it is to Mr. Ralph H. Stronach, in recognition and appreciation for his twenty years of faithful and devoted service to our school and community, that the *Missile* Staff of 1962 affectionately dedicates the 1962 *Missile.*

Mr. Ralph Stronach
*Band Director*

# OUR FACULTY RELAXING AFTER A



**Russell B. Gill, B. A., M. A.**
College of William and Mary, University of Virginia

Mr. Russell B. Gill, the principal of Petersburg High School, has been with us since 1943. During this time he has devoted his energy and time to the improvement and development of Petersburg High School.

The students are very indebted to Mr. Gill for the encouragement and help he has given. His undying patience marks him as a gentleman and his wisdom marks him as a scholar.

His ability as a leader is well-known throughout the state. He is past president of the Department of Secondary Schools of Virginia; he is Chairman of the Group One Board of Virginia; also, he is a member of the Virginia Committee Southern Association of Secondary Schools and Colleges.

**Edwin M. Betts, B. S.**
University of Virginia

Mr. Edwin M. Betts, assistant principal, has been associated with Petersburg High School since 1953. In that time he has taught English, speech, and dramatics. He also has been in charge of all dramatic productions, each of which has been a credit to the school.

As our assistant principal, he has shown true patience and friendliness toward all students.

His extra activities are numerous. They include the Chairmanship of the State SCA Advisory Committee. Also he has been on the Board of Managers of the Virginia Congress of Parents and Teachers. Just recently he was elected president of District D of Virginia Education Association, thus making him a member of the VEA Board.

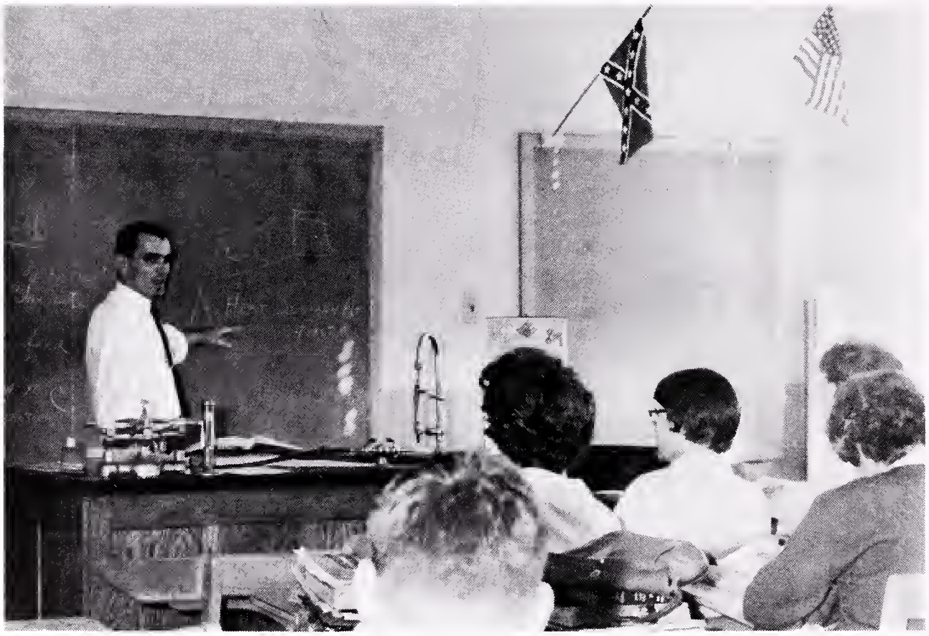
# THE FOCUS IS ON OUR FACULTY

Miss Beverley Bailey, new English teacher at PHS, smiles at a humorous poem as students Dougie Traylor and Jimmy Dillard join in her laughter.

In graphing a drawing of a cylindrical form, Donnie Moring is advised by Mr. Lester Halsey, mechanical drawing instructor.



The complexities of the law of multiple proportions is explained by Mr. Sublett to his mystified chemistry students.

## SENIORS

The seniors are spot-lighted now in our camera, and we find that they are ready for whatever lies ahead in life. They have been well prepared for the roles they are to play in our world. These outstanding students accomplished this with much hard work and effort. Many changes have taken place in the curriculum in keeping with the demands of a fast moving, scientific society. Now seniors have the advantages of a more modern and well-equipped physics and chemistry laboratory, audio visual aids, and interesting projects to render teaching more effective.

Under able guidance the industrial arts course is gaining prominence. These boys are being prepared to take on jobs which require skilled labor. In this mechanized age the students must have training, and they receive the very best at Petersburg High School.

When the seniors are graduated, Petersburg High School can be proud that these citizens of Virginia are prepared to take their place in working America.

The Senior Committee plays a significant part in any activity pertaining to the senior class throughout the year.

Two of the main events concerning seniors are the Senior Assembly and the Senior Prom. The committee decides on the type of program presented by seniors in a spring assembly and is responsible for its production. All necessary arrangements for the dance are made by the committee including: securing a band, election of the queen, and other vital factors.

Helping the Senior Committee is the executive committee. This committee consists of other members of the senior class, including Rosemary Rudy, Millie Jones, Annette Maddra, Bo Jones, Robert Vaughan, Cooper Pearce, and Jim Long.

## On Life

Of life's swift swelling stream, whose bounteous source
Celestial blooms adorn and angels kiss,
Drink deeply, youth. As one who, blessed with wine,
Ambrosia from Olympian vineyards pressed,
Sips slowly, relishing each glint and bud
Of taste—so also quench your thirst for life.
Be not too eager, lest, in gulping down
Your cup in haste, you lose the shiny spark
Of light, evasive jewel of earthly joys,
And find yourself instead, with thirst unquenched,
Your cup of life drained dry. Nor yet lose hope
When hates, trials, worries, fears obscure
The gleam and turn the sweet to bitter taste,
But drink again discovering youth and joy
Still lingering deep within the golden depths.

by Susan Griswold

## I Walked Alone

Not so long ago, I walked alone.
But now, Lord, I walk with Thee.
Life, then death, what more will come?
Not so long ago, I walked alone.
In heaven's garden, I see Thy home
My Lord's home and now I'm free.
Not so long ago, I walked alone.
But now, Lord, I walk with Thee.

by Mary Evelyn Wade

## Death

Is it
Really so harsh—
This sleep that takes away
The suffering, pains and troubles of life
For bliss?

by Richard Mann

## Class Poem

### A FAREWELL

We should not feel that we must bid goodbye
To all of that we've felt through all these years.
It has been good, and to our eyes come tears,
For now we know that the time will soon be night
When we shall bid farewell and breathe a sigh
For all that we no more will see and hear.
The future calls us, yet, with all its fears,
We can't forget what we have known so high.

And here for all is our class of '62.
We've all had fun and played a great deal more;
But also times of thought to our minds call.
So much has been an offer for us to do.
And here it never once has been a bore.
Dear PHS, we love you *best* of all.

by Louise Jefferson

## The Marker of Clay

On a hill far away
In an old graveyard,
There was a marker of clay
On a hill far away
That never had seen the light of day.
But the words of that message were ever on guard
On a hill far away
In an old grave yard.

by Eleanor Slate

Forced me to say good-bye?

VARSITY
PHS

Braving the elements as they come to school during the first snow of the season are Bill Griffin, James Ruffa, and John Smith.

D'arcy Roper, Gayle Boisseau, and Patsy Rives seem to be in complete agreement — it's cold!

Greeting the weather with smiles are Becky Ennis and Susan Hanzlik.

# JUNIORS RECEIVE RINGS IN MARCH

Claire Titmus, Carol Whitchurch, and Judy Blick are placing their orders for their junior rings and being measured for the correct size.

## JUNIORS

As the camera focuses on the juniors, these students are now on another rung of the high school ladder. The "big" juniors have now advanced to higher mathematics and are finding out that it really isn't so bad after all. Chemistry adds another interesting subject to the curriculum. Various odors emanate from the chemistry lab into the third floor hall, but fortunately no one is alarmed, because everyone realizes they are "smelling" future scientists in action.

The Junior Ring Dance is an added highlight in their busy schedules. The juniors handle this themselves, and the event is always a huge success. They feel much more a part of Petersburgh High School after they have received their rings, and they are worn proudly!

For college-bound juniors there is serious thought given to colleges and careers and to those who are entering other forms of work now is the time for beginning advanced work and skills.

The juniors of today are hard-working and industrious, and they look forward to an even more eventful senior year.

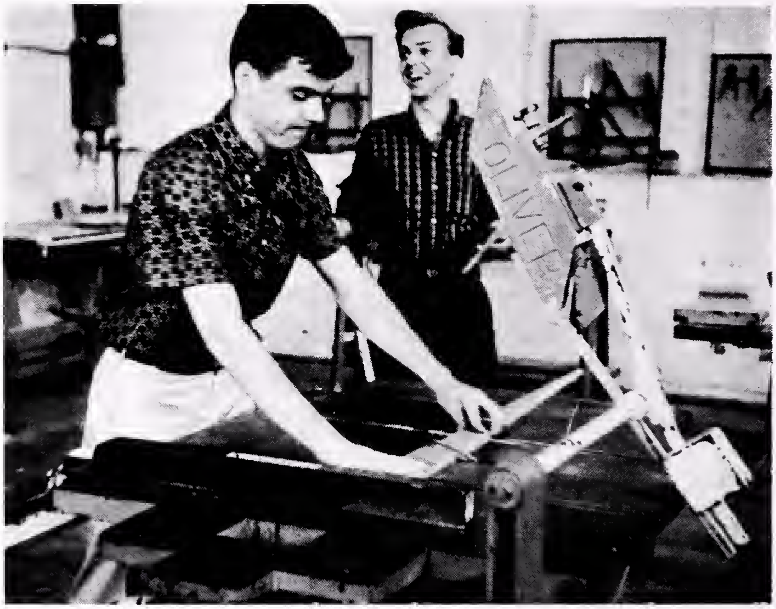
*A Big Moment — The Juniors Order Their Rings.*

Industrial arts is an expanding course. There are many pieces of new and more modern equipment to help these boys in their vocational training.

The students work with wood, metal and ceramics.

New at Petersburg High School is Mr. Thacker, who is in charge of this department.



Howard Penley is amused to see Jerry Davis working hard in industrial arts class.

Everything must be clean in Chemistry as Rosemary Rudy and Byron James can testify.

Chemistry is primarily a junior course; however, there are many seniors taking this interesting subject under Mr. James Sublett.

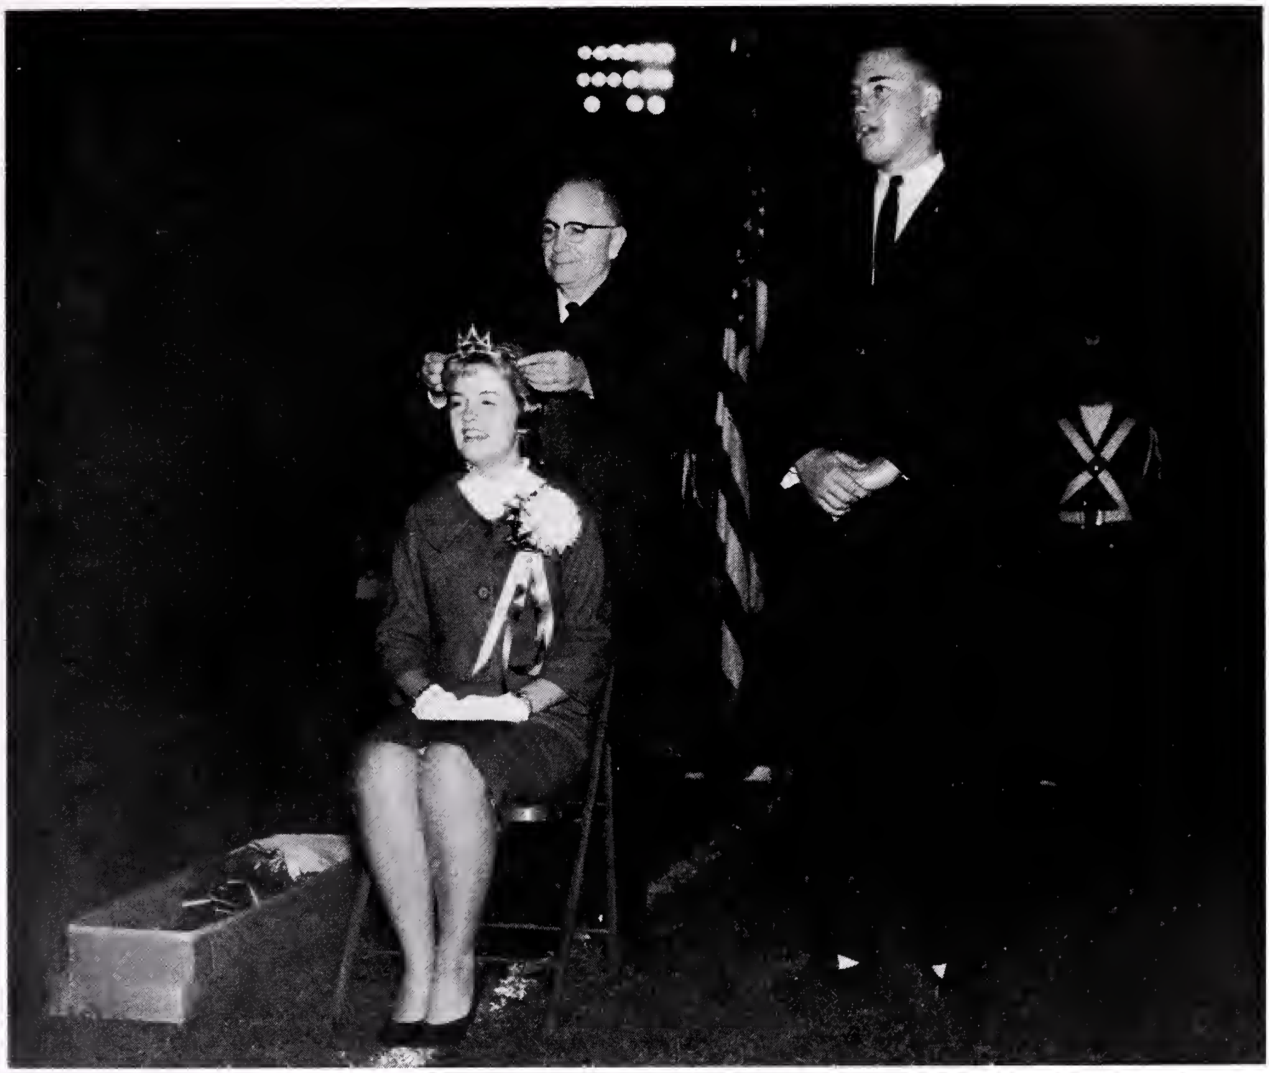
The people on the third floor are constantly aware of the presence of the lab. Even the uninitiated can now distinguish between butric acid and sulphur.

At the beginning of each term there is a mad rush for the bookstore.

Each term the new book store opens for business. During that time you will find everyone and everyone's brother down stairs in the long line.

Mr. Churn acts as policeman and helps to keep anxious students in place.

# HOMECOMING – SOPHS' MAIN PROJECT



Mr. Russell B. Gill, principal of Petersburg High School, places the crown on the head of Miss Barbara Lynch, Homecoming Queen for 1961, while her escort, Bill Prizer, looks on.

## SOPHOMORES

The sophomore year is one of new responsibilities, studies, and hard work. The camera emphasizes this clearly.

After one year of high school these students are now firmly established members of a productive high school society. Learning the rules of Petersburg High School and applying them has been one of their many accomplishments. Their potential leadership was shown in October, 1961 when they conducted all the festivities connected with Homecoming, an affair handled with much success.

The first preparation for a vocation is begun during this formative period. The sophomores begin this work with enthusiasm and gusto! The first taste of science and more advanced work is found in Algebra 3 and 4, and mechanical drawing.

As they continue this good work, one may be sure that Petersburg High School will always be proud of them!

The Christmas spirit was demonstrated whole-heartedly by both faculty and students this past December.

Latin and French classes set up decorations for the upcoming holiday. There were Christmas cards and parties to add to the festivities.

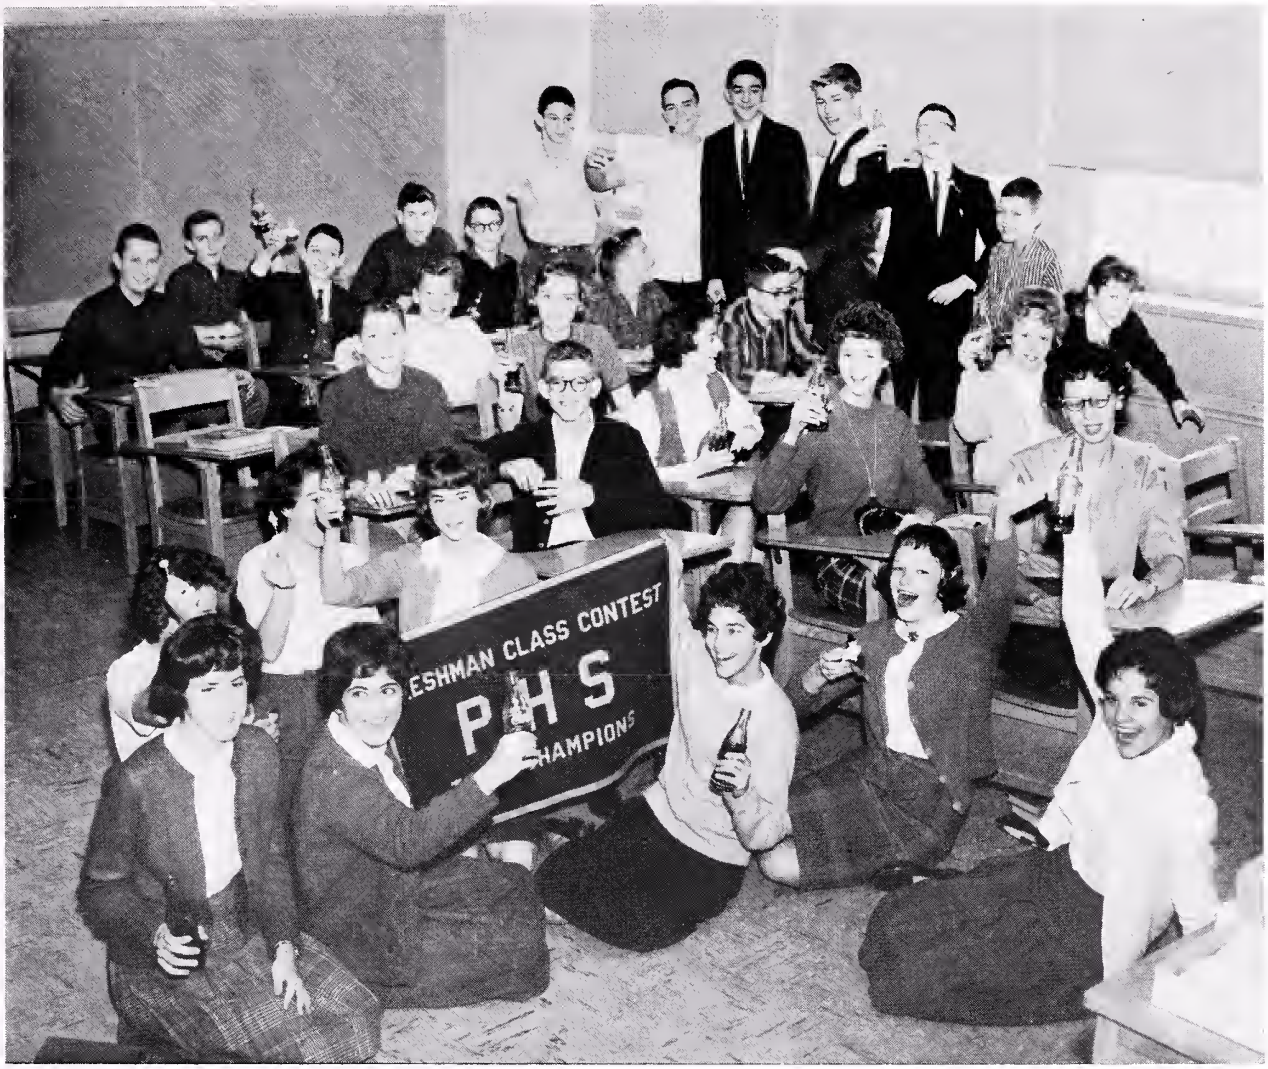
The Christmas spirit of giving was not lost in the rush either, for each room prepared baskets to give to the needy of our community. The Varsity Club as one of its projects carried food and clothing to these grateful people.

Christmas 1961; Mr. Gill, our principal, seems to be in the holiday mood as he admires the work done by young Latin students.

Miss Doan, Latin teacher, proudly shows Mr. Betts, assistant principal, one table in her room laden with Christmas projects.

Christmas projects were numerous this year. The originality displayed by students was truly wonderful. Each pupil outdid the other in beauty and expressiveness.

# FRESHMEN JOIN INTO SCHOOL ROUTINE



Homeroom 115 celebrates at a party after winning the Freshman Class contest.

## FRESHMEN

Now the candid camera picks up the new "recruits" in our high school, the freshmen. By now they are firmly established in our little world of hustle and bustle. Their schedules have been busy, their subjects difficult and tedious, but they have come through with flying colors and are much richer for the experience.

This year a change in the system was put in concerning these under-classmen. Now the eighth grade is considered a part of high school, and the freshmen now must have twenty-three units in order to graduate instead of the previous requirement of eighteen.

Biology, a freshman course, is the first real science they have encountered and it is met with much wonder and interest. A unique experience indeed was the first dissection done, and this will long be remembered.

*Hic, haec, hoc* are words heard frequently in freshman classrooms, as they realize that Latin isn't as dead as they may have thought.

Petersburg High School is proud of her freshman class and hopes that they will continue in the good work they have begun.

The Snack Bar is a popular place at noon. There one can buy hamburgers, sandwiches, french fries, and many other snacks for people with small appetites.

The snack bar is getting a lot of business as people line the walls waiting for their turn.

Doug Traylor seems to approve of the meal handed to him by Virginia Brown an employee of the PHS cafeteria.

Mrs. Randolph Moore is well-known to any student who frequents the cafeteria at lunch time. She is the manager of the Petersburg High School cafeteria.

One thing can be agreed upon at high school. Everyone likes the food!

# PHS OFFERS A VARIETY OF ACTIVITIES

STUDENT COOPERATIVE
ASSOCIATION
SCHOOL

SCA advisor, Mrs. Holloway, carefully studies the Initiation Day contestants who are new members of the various clubs and organizations around school.

## ACTIVITIES

An important focal point shown by our camera is centered on the extracurricular activities. These organizations and clubs epitomize what we at Petersburg High School have been striving for: leadership, loyalty, and friendship.

There are a variety of organizations in the school: service clubs, social clubs, publications, and honor societies. All students are encouraged to join and participate in them. Each club in its own way contributes to the high standards of Petersburg High School.

The activities are conducted by able leaders, and members of the faculty unselfishly give their time and energy to their growth and development.

## THE MISSILE STAFF

"Click-click". This is a familiar sound, heard by everyone as the photographers for the *Missile* take pictures of the various types of activities. Membership for the *Missile* staff is on a volunteer or assigned basis.

Preparation for the *Missile,* which is presented each spring, requires many hard hours of work. In the fall, when the pictures are taken, everyone is assigned a special task, and the staff strives conscientiously to make the coming year's *Missile* depict in a complete and attractive form of our school life.

The purpose of the *Missile* is to serve as a guide of the activities of the students and as a life-long memory of the wonderful years at PHS.

The *Missile* is usually submitted to the Columbia Scholastic Press Association and has received favorable evaluation.

# QUILL AND SCROLL SOCIETY ORGANIZED

Quill and Scroll is an international Honor Society for high school journalists. It was organized in 1926 by a group of high school advisors, for the purpose of encouraging and rewarding individual student achievements in the field of journalism and school publications.

Each student selected to be in Quill and Scroll must meet the requirements set up by the national organization of Quill and Scroll. The requirements are as follows:

1. They must be of at least junior or senior classification.
2. They must be in the upper third of their class in general scholastic standing.
3. They must have done superior work in some phase of journalism or school publications work, such as writing, editing, business management or production.
4. They must be recommended by the supervisor or by the committee governing publications.
5. They must be approved by the secretary-treasurer of the society.

Officers:

# WEEKLY NEWS KEEPS PHS INFORMED

The Weekly News appears each Sunday in the Progress-Index to keep the public and the students of PHS and other schools informed as to the activities of our school.

The reporters, the 7A English class under the supervision of James W. Sutherland, strive conscientiously to turn out interesting editorials, sports, and news stories.

These articles are considered part of the class composition work and a certain number of students are appointed every week by each class section editor to write articles.

## S. C. A.

One of the most important groups at P. H. S. is the Student Co-Operative Association, whose aim is the betterment of Petersburg High School and the well-being of each student.

A representative and an alternate, one of whom attends each weekly meeting of the S. C. A., are elected by the students of each homeroom. Every student has the right to express his ideas or suggestions about school affairs through his representative.

The S. C. A., which has many projects such as Honor Study Halls, Friendship Week, and the Honor Code, is the leader of all school activities.

Congestion in the halls is kept under control by a group of juniors and seniors who are members of the Monitors Club. Sponsored by Mr. James Jean, the members are nominated by a committee of students who are members of the club. From this list of nominees, Mr. Jean and Mr. Edwin M. Betts, the assistant principal, select those who will be monitors. The principal, Mr. Russell B. Gill, approves the list. Members are chosen on the basis of grades and courtesy.

Other than working in the halls and staircases, the monitors work in the auditorium before and after assemblies, and also in the cafeteria.

What would we do without this efficient group of students who give so much of their time to keeping the library working smoothly? They do everything from the stamping of passes to the checking out of books. Also, they keep the shelves straight and help take inventory at the end of each term.

Credit should be given these students who volunteered to work in the library in the morning, during homeroom period, during school hours, and after school.

Films, recordings, and film strips are a welcome and interesting addition to the classroom and are always welcomed by everybody. These visual aids are made possible by the aid of the hard-working projection crew.

This group of approximately seventy boys is always ready to assist the teachers in any way possible with movies. Under the sponsorship of Mrs. Lucretia Litchfield, these boys learn to operate the projectors, and help with other visual aids.

Audio-visual aids are an essential feature of our curriculum. The services performed by the Projection Crew are a valuable contribution toward the enrichment of our classes.

# J. V. CHEERLEADERS SUPPORT TEAMS

This vivacious group of girls shares their team spirit by leading the JV team to victory. These energetic misses participate in pep-rallies and help the Varsity Cheerleaders at some of the big games.

Try-outs are held at the beginning of the fall term, and the Junior Varsity Cheerleaders are selected according to peppiness and their ability to execute a yell.

# MAJORETTES: OUR HIGH STEPPERS

Perky performers — that certainly describes our high stepping majorettes at PHS. This energetic group of girls add color to the football games and help in their gaiety to promote school spirit.

In competitive try-outs, six regular majorettes were selected along with three alternates, according to their ability and sparkling personalities.

Our majorettes have given many long hours to practicing, both after school, on Saturdays, and week nights. They have shown much originality and pep in their varied routines.

These girls not only participate at the football games, but they also perform at the pep rallies and in parades.

## VARSITY CLUB

Mr. Gill, our principal, and Coach Norman Jenkins take on a lot of man power sponsoring the Varsity Club.

To be eligible for membership in the Varsity Club, a boy must have received a varsity letter in a major sport.

These boys promote the best possible sportsmanship that can be attained by the student body of PHS.

All members have crimson jackets with Varsity Club emblems on them.

The club's main annual project is the car-wash at Cotton Whelan's Service Station in the spring. Also, this year, the club will present Varsity Highlights, which is a comical show put on by the members.

## GOLD BLAZERS

Gold Blazers—and there's no doubt you've seen plenty of them about school, especially on Fridays. This is our Pep Club which is made up of girls bubbling over with enthusiasm and school spirit.

Not only do these girls strive hard to promote team spirit and good sportsmanship, but they also participate in pep rallies and carrying on various projects. Among these are: decorating the goal posts at Cameron Field, displaying "Beat 'em" posters and signs in the halls prior to games, and also decorating the cafeterias for some of the big games.

Gold Blazers consist of JV and Varsity cheerleaders, a representative from each homeroom, and the finalists of the cheerleading try-outs.

Each year the club gives a breakfast in honor of its graduating seniors.

## DRAMATICS CLUB

The members of the Dramatics Club entertain their audiences with productions of various types and every play they present is a smashing success.

Members work backstage on props, lighting, or costumes; or have roles in the plays. The casts are chosen by a try-out which is open to the entire school, and those chosen for the parts automatically become members of the Dramatics Club.

This club presents at least one play a year. This is usually in the spring. Membership is open to anyone interested in the field of Dramatics.

# ART CLASS SHOWS REAL TALENT

The artists, with their brushes of all colors, tablets, sketch books, and canvases, make up the Art Class.

These students work with charcoals, water colors, pastels, oils, ink, and almost anything that will paint. Each student spends a great deal of his time experimenting with new materials and learning the various principles of drawing and painting.

Class is held on Monday afternoon under the instruction of Mrs. Lou Musgrove. Anyone interested in art may join.

The class projects are those such as visiting various art museums and studios, and presenting paintings to the school.

## BAND

Pep plus talent—that's what our band is made of. Under the direction of Mr. Ralph Stronach, the band is divided into four different parts, the Marching band, the Pep band, Concert band, and the Varsity band.

Participating in parades and performing at football games, is the job of the Marching band. This group performed at the V. P. I. versus University of Richmond game, held at Richmond this year.

A small group of male members of the Marching band play for our pep rallies. They are known as the Pep band. They play various marches and school pep songs.

During the spring the Concert band is organized. They present a concert each spring and have an assembly prior to this concert.

Select members of the Concert band compose the Varsity band which performs for civic organizations and school assemblies.

## KEY CLUB

The Key Club of PHS is made up of a group of young men who are striving to build the home, school, and community, and to serve our nation.

These boys are of high moral character, and they try to develop a more intelligent, aggressive, and serviceable citizenship. Also, they strive to promote the adoption and application of higher standards in scholarship, sportsmanship, and social contacts.

Their main objectives are: to develop initiative and leadership, to provide experience in living and working together, to serve the school and community, to cooperate with the school principal, and to prepare for useful citizenship.

Membership is limited and prospective members must be nominated by the club. They must be approved by the principal, must have an eighty-five average, and must be at least a sophomore.

The club plans to take a trip this year to a museum in order to learn more abut the French people and their customs. Other programs for the coming year include French movies and French speakers.

Everyone has probably heard the French Club members singing Christmas carols in the halls. This is one of the club's annual programs and is enjoyed by the whole student body.

Membership is open to anyone who is studying French.

## SPORTS

The camera brings into focus a new angle in the life of Petersburg High School--sports.

Whatever an interest a boy or girl may have they will find in our school a sport that will give them satisfaction and exercise their ability to the fullest.

Petersburg High School is equipped with an excellent staff of coaches who take a genuine interest in their job and the development of the minds and bodies of the students.

Teamwork is a key word in all athletic contests and through the guidance and direction of our coaches the boys and girls participating in these events have a deep feeling of loyalty, responsibility, and friendship which go together to make teamwork.

## VARSITY BASEBALL

The Petersburg High School Varsity Baseball Team, after a crushing victory over Midway in their first game, was able to capture the Central District championship in their final game. The completed their season with nine wins and four losses in the district.

The Crimson Wave had a fine defensive team, and also came through with some timely clutch hitting and pitching. Dee Hartman led the hitters, and Howard Jones, Richard Ramsey, and Ollie Jarvis formed the pitching staff.

The never-say-die Wave was considered out of the race many times. Then, in the championship game with Manchester, the Wave bounced back again. With the score tied at two runs each, Dee Hartman scored on a Manchester error to give Petersburg the victory.

The Wave lost Tommy Kidd, Ollie Jarvis, Earl Hawkins, and Bobby Douthat from the championpionship team. Under Coach Robert Churn's guidance, the Wave reached great heights this year and should continue to do so in the future.

## JUNIOR VARSITY BASEBALL

The Petersburg High Junior Varsity Team had a very fine season even though their won and lost record was not spectacular. The fact that many sophomores were moved to the varsity left the J. V. team composed mainly of inexperienced players. In consideration of this situation, the showing is not so unfavorable as the scores indicate.

Some of the bright prospects for the varsity team were: Meredith Horne and Sonny Floyd in the hitting department. In the pitching department, Bobby Harris excelled.

## GOLF TEAM

The 1961 edition of the Petersburg High School Golf Team, coached by Mr. Robert Budlove, compiled a highly satisfactory record of five wins and three losses, thus capturing second place in Central District competition. The squad later went on to the State High School Tournament and there placed ninth in a select field of more than 25 schools. Graduation will hurt the team only slighly as all but one member of this year's squad will return and a strong team is expected to result for next year's season.

Golf letters were awarded to the following: Cooper Pearce, team captain, third award; Senior Billy Wells, Tommy McGeever, Sonny Richardson, Terry Lescure, second award; and Grey Jenkins, first award.

*First Row:* Ricky Siegel, Dick Turner, Coach Bob Budlove, D'Arcy Roper, Roy Stillerman. *Second Row:* Grey Jennings, Sonny Richardson, Daryl Homer, Billy Wells, Donald Spero, Cooper Pearce, Mike Diamond, Terry Lescure, John Coghill.

## TRACK

Petersburg High School's thinclads had a great building year under the coaching of Mr. Stan Brown and Mr. Bob Howard. Inexperienced, with only four lettermen returning from last year, the team still managed to post a respectable .375 average with three wins and five losses, including a second place in a triangular meet.

Four school records were broken: the 440 record by Ronnie Thackston; the record for the 880 by Bennie Kirkland; Gene Hathaway posted a 4:54.6 to break the mile record; and Buck Maddra threw the discus for a record 125 feet. In addition, one school record was established: Ronnie Skelton established the school record for the 180 yard low hurdles with a 22.8 time.

High point man for the team was Ronnie Skelton with a total of 91 points! Kirkland, Thackston, Maddra, and Hathaway were some of our chief point-getters, but attention should be given to "'Skipper" Roberts, our only freshman letterman, who has already run the mile in five minutes, close to the old school record. Other lettermen this year were Steve Rondel, Bill Griffin, George Bokinsky, Tommy Jones, John C. Smith, Vernon Akins, Frank Parrish, and Ritchie Taylor, one of the managers.

The 1961 edition of the Crimson Wave compiled a record of four wins, four losses, and two ties. At the beginning of the season, head coach Bob Howard, assisted by line coach Norman Jenkins and backfield coach Hubert Payne, were faced with the task of rebuilding after last year's great team. In doing so, the coaches developed a team that earned the respect of all opponents.

The season opened with a 0-0 tie with John Marshall, at Cameron Field. The Wave then came back to defeat Thomas Jefferson 7-6, and the following week lost to Saint Christopher 7-0. Petersburg then visited Hopewell, where its arch rival defeated them 13-0. Returning home, the Wave lost to Highland Springs 27-0, in the mud of Cameron Field on Monday night. The following Friday Petersburg got sweet revenge for last year's loss to Thomas Dale by beating the Knights 6-0. Petersburg continued to win with a 12-0 victory over Prince George. The second tie of the year occurred when Manchester tied the Wave 12-12 at Cameron Field. The Wave then traveled to Parker Field, where Hermitage issued them their last defeat of the year by the score of 28-6. In the final game of the year, the Wave evened things up by beating Douglas Freeman 14-13.

The highlights of the season came when the Wave beat Thomas Dale and Douglas Freeman. The win over Thomas Dale avenged last year's 13-12 loss. The thrilling upset of Douglas Freeman ended their chances for state recognition.

Several members of the team received honors for outstanding football. Co-captain Lin Parrish was a member of the second All-Central District team. Co-captain Jimmy Bailey, Benny Myers, Dougie Traylor, and Hugh Powell received honorable mention.

## BOYS BASKETBALL

The 1961-1962 Crimson Wave basketball team, with Doug Traylor and Jim Rosenstock the only returning lettermen, compiled an overall record of 8-9. Competition in the season's well-balanced Central District was extremely rough, and the Wave cagers, hampered by a Friday-Saturday schedule, managed a 6-9 record in district play, which was substantial enough to hold down eighth place.

The season began with an exciting two point loss to George Wythe, after which the Wave defeated both Prince George and Thomas Dale. In a pre-Christmas holiday game, the Wave was edged by a hustling Tee Jay team 55-57; however, they followed soon afterwards with an upset victory over a powerful Douglas Freeman team. By mid-term the cagers had compiled a creditable 6-6 record.

The Wave looked sharp with Highland Springs, Hopewell, and Manchester (at home); however, the Wave looked pitiful with Hopewell (away), Manchester (away), and John Marshall. The tournament, an experimental ten team affair, saw Petersburg play a hustling Manchester five. Manchester, trailing at the half, surged on to take the Wave in the final minute with some expert foul shooting, going on to win 57-47.

The Wave, led by Doug Traylor and Jim Seay, had a relatively good season, and shows signs of being one of the District's best next year. With scoring leader Jim Rosenstock, and starters Hugh Powell and Kirk Jones returning, Coach Kilbourne's Wave should have a fine season. The bench, with Carl Tobias, Sonny Floyd, Robin Worth, and freshman center Fred Fiel, showed great improvement, and there will be a hard fight for next year's starting positions.

### JAYVEES FINISH WINNING SEASON

The Jayvees finished this season with a winning record despite heavy loss of players to the Varsity.

Strengthened by James Ruffa's arrival from the freshman team, the Baby Wave completed the circuit with an 8-7 record.

High scorer was 5' 5" Ricky Siegel, with an overall 177 points and a 12.8 average per game.

In spite of the fact that the team really needed height they showed lots of hustle and fight in every one of their games.

### FROSH POST 8-1 RECORD; ONLY LOSS TO MIDWAY

The Ninth Grade Basketball Team completed a most successful season. Although they played only nine games under the skillful direction of Mr. Richard Zaruba, they compiled an 8-1 record.

The team had a hard time maintaining enough players to compete in all the games. James Ruffa was promoted to the J.V.'s after the first game, but there were no more losses to the team until midway through the season. At that point Carl Looney and Morty Rudnick were lost to the J.V.'s and Freddie Feil, to the Varsity. In spite of these losses, the Ninth Grade Team won two of their last three games, their only loss coming at the hands of Midway, whom they had defeated three previous times. The rest of the season produced wins over these teams: Brunswick, twice; Surry, once; and Manchester, twice.

## GIRLS SOFTBALL

The main factor contributing to the losing season of the 1961 Softball team was inexperience. The team was all new, with the exception of five returning lettermen. They were: Shirley Slate, captain; Phyllis Marshall; Janet Dilday; Connie Chambers; and Susan Myers. With only three graduating seniors, the team showed great promise for the future.

Receiving her fourth year star was Mary Jo Tudor. Connie Chambers, Janet Dilday, Susan Myers, and Shirley Slate received their second year stars. Girls receiving their first year letters were: Mary Berryman, Margaret Vaden, Hazel Carlisle, Brenda Lane, Josie Knoble, Shelby Floyd, Dixie Gill, Sarah Lane, Betty June Lewis, and Helen Grammer.

*Left to right:* First baseman Susan Myers makes a catch for the Wavelets during the Hopewell game; Connie's all set to put one across the fence against Hopewell; Sorry, Shirley, but this Hopewell player is safe; pitcher Dixie Gill and catcher Connie Chambers have a "Big Two Conference" in game with Hopewell.

## GIRLS BASKETBALL

The Wavelets were led through their 1962 season by tri-captains Susan Myers, Connie Chambers, and Lala Baggett, who were also the only returning lettermen on the varsity team.

Although the Wavelets were winless during their regular season, they defeated Collegiate at the All Prep Basketball Tournament, which was held at Hopewell this year.

During their regular season, the Junior Varsity defeated John Marshall. The Wavelets hope to better their record next season with such promising J. V. forwards as Betty Lewis, Betty Harrell, Sharon Browning, and Shirley Jackson.

Girls receiving their varsity awards are: Susan Myers, Connie Chambers, and Lala Baggett, second year awards; Dixie Gill, Anabel Woodruff, Hazel Carlisle, Margaret Vaden, and managers Shelby Floyd and Mary Ellen Edgerton, first year awards.

## VARSITY CHEERLEADERS

This spirited group of pepper-uppers serve our school in several ways. These girls participate in the many pep rallies, cheer our Crimson Wave to victory, and help promote good sportsmanship.

Competitive tryouts are held in the latter part of the spring term and the cheerleaders are selected through the judgment of their sponsor, with the help of a few faculty members, and with the assistance of the previous year's cheerleaders.

These twelve girls practice enthusiastically throughout the summer to learn the routines and yells, and to plan the following year's activities.

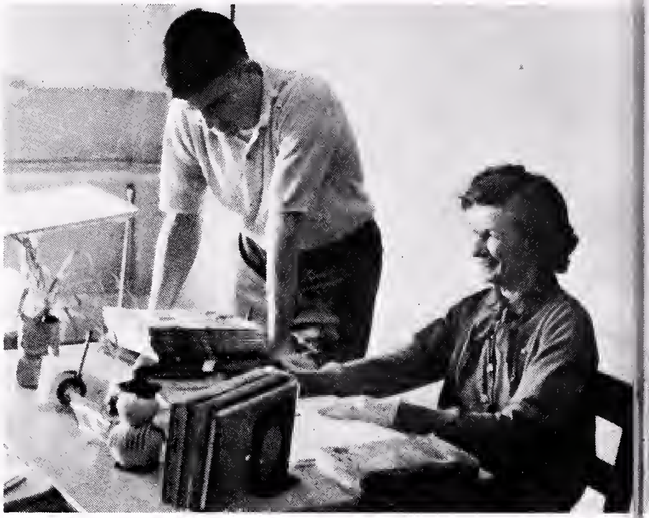
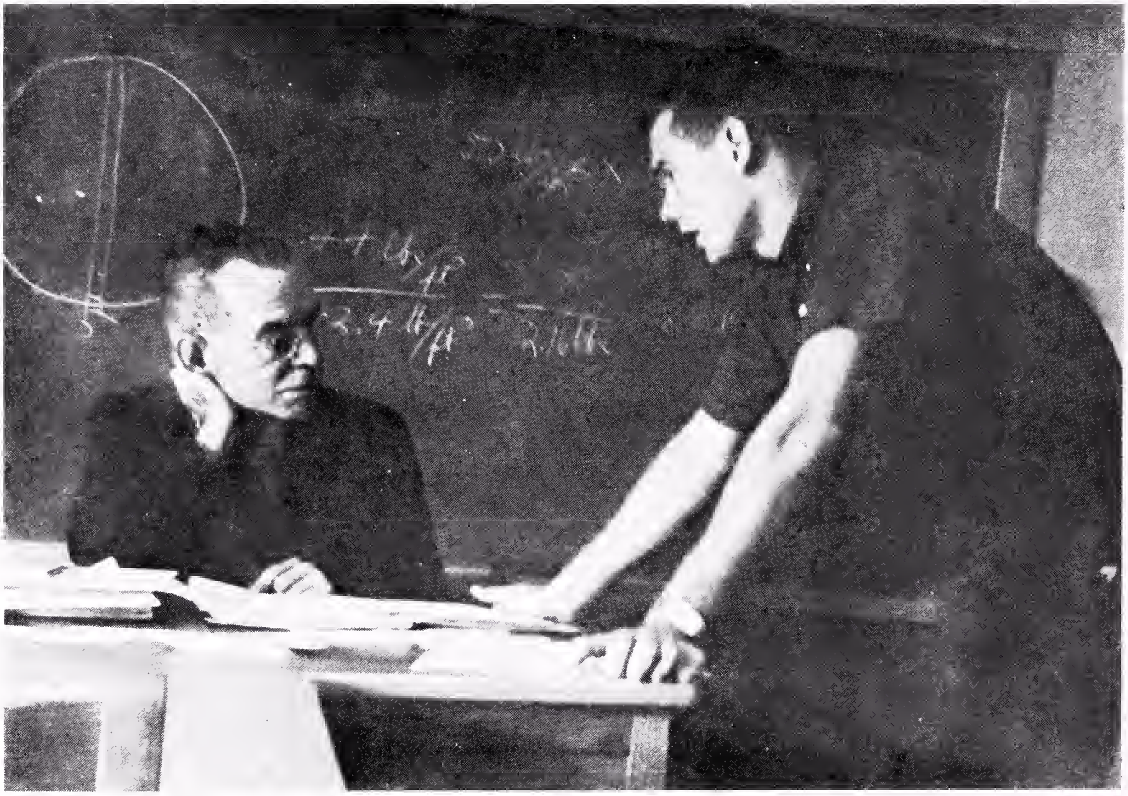
# THE FOCUS IS ON OUR FACULTY

Mr. Alexander, teacher of solid geometry, algebra, trigonometry, and *Missile* circulation staff advisor, returns a test paper to one of his algebra students, Betty Ziengfuss, as Richie Taylor, head of circulation staff, checks subscriptions.



Miss Wilkinson, Spanish teacher, is amused by one of Carmine Ruffa's witty remarks as he asks about his daily translation.



Ollie Jarvis, one of Mr. Leete's physics students, discusses the puzzling aspects of translatory motion with Mr. Leete.

# CAMERAS TAKE OVER '62 MISSILE

Larry Moore, photographer for the *Missile,* seems overloaded with cameras as he trys to capture some of the interesting moments around school.

Now the theme of our yearbook is epitomized. Candid Camera now takes over completely to emphasize the goals, achievements, and aspirations of all the students at Petersburg High School.

Caught off-guard the serious and sometimes hilarious antics of the students bring out the lighter side of our school.

Here is a bit of togetherness and co-operation shown in different ways. Poignant moments for some and just funny ones are all captured and preserved for many years to come.

Striding jauntily, Mr. Churn glances jokingly to students in line to buy books.

"Bonjour Mademoiselle Taylor" and "Adios Senorita Wilkinson" come naturally to French and Spanish students. Miss Doan's Latin classes get an extra course in mythology along with their *veni, vidi, vici.*

The English department seems determined to prepare students for anything. Consider Miss Warner's spelling tests or the bloodcurdling cry of "Out damned spot!" from Miss Evans.

Memorable moments in mathematics include Miss West's daily test of five problems. Mr. Alexander's welcomed explanation of that instrument of torture, the slide rule, and Miss Gwaltney's never-ending formal proofs.

What is it that has distracted the attention of Mr. Boutelle and his biology students Kathy Morriss, Tommy Howard, and Steve Sheffield?

Gathering information for a term paper keeps Mark Farber occupied in the library.

In their Spanish class Chip Talley, Mary Evelyn Wade, and James Johnson agree that "Es muy dificil".

Dissecting frogs, looking through Mr. Leete's spectroscope, and protesting, "No, Mr. Sublett, I don't see how easy it is!" keep students busy in the science classes.

All geography students know the capital of Afghanistan, and Mr. Churn's history students know it's an extra-credit question on his quizzes.

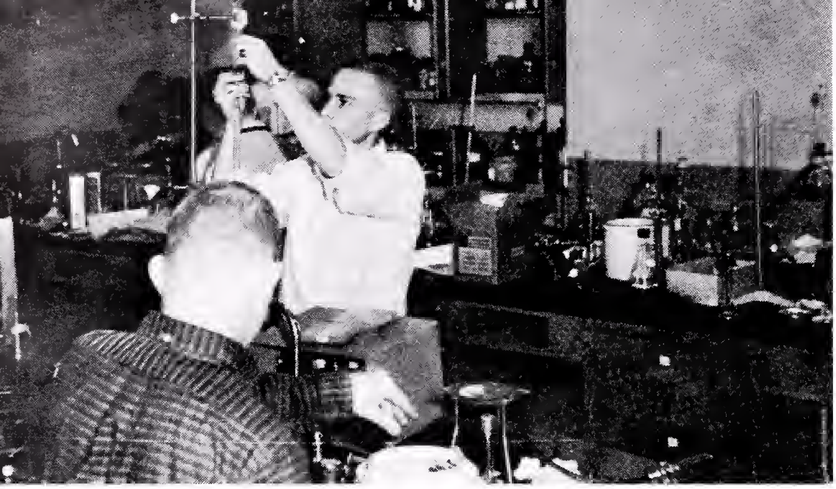
Students in mechanical drawing classes learn to draw a straight line, useful in all Industrial Arts classes. Clickcla click—ouch! These strange sounds issue forth from the typing rooms as students conquer the machine.

"The 'eyes' have it," as Mrs. Van Horn demonstrates the structure of the eye to her biology class.

At Petersburg High School the variety of courses offered leaves out no student. There is a course to suit each person's needs and interests. Each teacher is well qualified and willing to lend time and energy on the behalf of anyone who needs it.

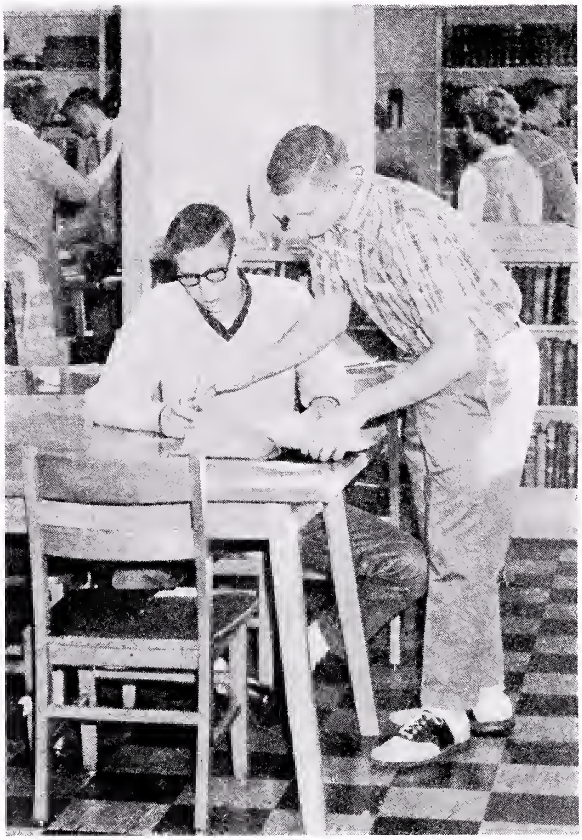
The guidance department at our school is exceptionally helpful and contributes very much to students who are preparing for college or any who are having difficulty in their school life.

"This is my best one yet," Herbert Kirkland proudly confides about his project in the woodshop.



In the chemistry lab Johnny Elder plays the part of a mad chemist.

Plowing through *Webster's Unabridged Dictionary,* John Smith and Sonny Richardson participate in the library reference project.



Everyone at high school is familiar with the library. From freshmen up to seniors each year there is a different project dealing with the library.

Whether it is learning the Dewey Decimal System, working on reference projects or term papers our two librarians, Mrs. Rhea Dodge and Mrs. Lucretia Litchfield, are always willing to help in any way they can.

Many girls find that home economics taught by Miss Dorothy Sears and Miss Mary Bailey, is one of the most interesting subjects at Petersburg High School.

Every phase of domestic science is covered from sewing and cooking to child care.

When these young women complete the course, you may be sure that they will be well-perpared.

Sydney Wharton begins the first designs for a costume she will later construct.

Just arriving in Winchester, the band prepares to march in the Apple Blossom Festival.

The band this year went to play at many festivals and college football games throughout Virginia. Petersburg High is very proud of the honors bestowed upon the members of the band under the leadership of Mr. Ralph M. Stronach.

"But, Mr. Gill, we have to win this game!" Mr. Betts says to our principal.

At her typewriter Carroll Seay complains, "Oh no! Not another mistake!"

As he gets ready for his roaring campaign for SCA vice-president, Oscar Edwards warns, "Don't you dare knock the ladder over!"

Judi Stevens and especially Nellie Pat Clements do not want to be bothered in homeroom period.

Amid studying for tests and preparing projects and term papers there is somehow still time for campaigns, newspaper articles, *Missile* layouts and the thousand and one other extra curricular activities that help to make school life more interesting as well as beneficial to the students.

These activities are joined by those who wish to participate. There are a few to which the student is selected to become a member; however, the majority of clubs are open to all, and everyone will agree that they are very much a part of our alma mater.

The Who's Who committee—Polly Romaine, Ann Mann, Page Jones, and Mike Gee—become the first to know the results of the elections.

While waiting to have their pictures taken, sophomores give the necessary information to the typists.

The taking of pictures for the yearbook has become a tradition around school. Each September the preparations are made, and rooms are called so that all the students may have the opportunity to have their pictures in the *Missile*. Usually this procedure takes two days, much to the dismay of the teachers and the enjoyment of the students.

Talent! Talent! Who's got the talent? The PHS Band is famous throughout the state, due to the efforts of its members and director. This year the Pep Band and Marching Band started the season off with participation in pep rallies and football games. Half-time programs featured all new routines by the majorettes plus music from the Band. The Varsity Band was in demand for assemblies and presented a delightful program during the Christmas assembly which drew encores from the audience. Cold weather did not stop participation in the annual Christmas parade and Fort Lee personnel praised the concert presented at the Traveller Service Club. The Concert Band's annual spring concert was one of their finest.

"1 - 2 - 3 — Play!" orders Mr. Stronach to the band in a preview of the spring concert.

Petersburg High School is extremely proud of its band and band director. Each year the band members bring home many honors that are conferred upon them.

The enthusiastic school spirit is largely due to the undying devotion of our band members.

Believe it or not, these are students, all dressed up to parade before the judges on Initiation Day.

Johnny Hobbs, Robert Vaughan, Tommy McCaleb, and Charlie Ayers just aren't themselves at this particular moment; they are characters in "The Hasty Heart".

Braxton Garriss, Charlie Ayers, Linda Maxcey, Steve Rondel, and Robert Vaughan in a scene from the spring production of the Dramatics Club.

The initiates of the Quill and Scroll repeat the clubs' pledge after the president, Eleanor Slate.

C. Royall, A. Mann, J. Long, R. Vaughan, P. Jones, L. Jefferson, S. Griswold,
P. Ivanick, B. Jones, G. Bokinsky, B. Bishop, M. Farber, E. Slate.

STUDENT COOPERATIVE
ASSOCIATION
PETERSBURG HIGH SCHOOL

The 1961 Ring Queen, Claudia Talbott, beams as she is crowned by Mr. Gill and receives her flowers from Robert Vaughan. Her escort, Donnie Moring, looks on admiringly.

Everybody sing! The Glee Club reorganized this year and came up with some great entertainment. Their concerts and participation in assemblies were rated top drawer by the students. Outstanding in the entertainment field was the Girls' Ensemble, which presented a musical program to most of the civic organizations in town.

With the Sock and Buskin Society "the play's the thing", and accordingly its members managed to convert the stage into a British army hospital (complete with mosquito netting) and present an outstanding play, under the direction of Mr. Edwin M. Betts.

The Ring Dance is undoubtedly the biggest event for the juniors. It is held in the middle of March, and everyone joins in the preparation with enthusiasm.

A contributing factor to the ultimate success of this dance is the co-operation of all the committees concerned with it. Weeks before, juniors are rushing around frantically getting dance passes, ordering flowers, and examining senior rings. The night of the Ring Dance is a memorable occasion that whirls by quickly. After that all that is seen around the school is juniors comparing rings.

The tension mounts as the time nears for the Juniors to receive their rings.

Terry Lescure is sure to have suffered a backache after being one of the gardeners on Shrub Day.

School beautification is an important topic; naturally the first Shrub Day was a great success. Giving up their Saturday leisure time, members of various clubs came to school armed with shovels, rakes and hoes determined to make as many improvements as possible on the school grounds.

Although she seems to be imitating George Washington, Annette Maddra is really aiding in the school beautification project.

Even though the work is tedious, John Smith, Sharon Richardson, and Katherine Nobles seem to be enjoying themselves.

Students who had never used a trowel before were busy planting over four hundred tulip bulbs and thirty azalea bushes, contributed by the student body. Sawdust filled everybody's shoes as club members surrounded every shrub with a layer of protective covering. Climaxing a week of careful planning by the Inter-Club Council, Shrub Day was made successful by a great amount of student spirit.

At the first pep rally, the students go wild when Coach Howard is introduced by Nancy Powell.

Game day is Gold Blazer day! On Friday owners of bright yellow jackets are everywhere; painting signs, decorating goalposts and cheering the team to victory. It's a hard job, but these girls manage to keep up the enthusiasm of the student body.

Everyone joins in singing "Forward Crimson" to show their school spirit at a pep rally.

Our high-stepping majorettes skip to the tune of "Dixie".

We've got a team! And cheerleaders too, who always manage to make every pep rally terrific. Long hours of practice keep both Varsity and Junior Varsity cheerleaders ready with new yells for the rallies. Whether they are introducing the team, doing the Charleston, dressed in crazy costumes or just yelling, the cheerleaders are always tops.

The games we play against Hopewell are some of the highspots in our high school life. The excitement builds during the week before. By the day of the game the entire student body is in a dither. The night of the game is a nerve-wracking affair until the results are final. Then just one look on a student's face would answer all of your questions concerning who won.

The solemn procession with the accompanying funeral march presents an effective scene from the Hopewell pep rally.

Fall means football and the enthusiasm of the students for this sport reaches a climax at the Petersburg vs. Hopewell game. Each year the number of spectators on hand for this occasion breaks a new record, with people packed on the side lines, crunched in the bleachers, and toppled on other people. Nevertheless, in spite of this huge torrent of humanity or perhaps because of it, the spirit of the crowd is one of the greatest exuberance.

"Go, Wave, go!" is the cry of the excited onlookers at a football game.

"They can't do that to us!" Joan Gallion gripes about an act of an opposing football team.

Bo Jones, business manager of the *Missile*, instructs his staff in the fundamentals of ad soliciting.

College, perhaps? Wonderful! A job? Wonderful, too, if it's the right one—with opportunities to progress and learn as well as earn. There are many such jobs at C&P, waiting for girls like you. In a telephone job, you not only start with good pay but are specially trained to make more. Raises and advancements are frequent. Surroundings are pleasant—people are friendly—and your work is never dull. Why not make your first job a telephone job—one that can lead to a happy, rewarding career?

GOOD GAS SERVICE MAKES WARM FRIENDS

**CONGRATULATIONS, GRADUATES !**

Although now you are graduates, you can do a great service for the rest of us, if you never cease to be students — looking for opportunities and ways to cherish the American system of free enterprise and to improve the American way of life. You can be thankful for free schools in a country where you are free to worship and work and think and talk as you please. This is your heritage from the people who built America.

THE FUTURE is pretty largely in your hands — you must be vigilant and active to combat the evils of socialism, government domination of private industry, and all the "isms" that destroy democracy. We depend upon you to do a good job.
